**CELEBRATE CANADA DAY SAFELY
FIREWORKS SAFETY TIPS**

Canada Day is just around the corner and people are eager to see spectacular fireworks displays. The Strawberry Festival will once again be hosting a professional display in Memorial Park at dusk on July 1st as part of the Annual Event.

Some residents may choose to host their own event. Family fireworks displays are regulated by By-law 2007-057-FR. Residents are encouraged to be cautious when setting off family fireworks in order to minimize the risk of burns and fires.

To ensure a safe and enjoyable time for all, keep the following in mind for a fireworks display:

- Set the fireworks off on private property (No person shall set off fireworks in a public place including Town parks without approval in writing by Council).
- Choose an area that is 30 X 30 metres and at least 10 metres from the nearest building that is free from obstructions, including trees and power lines.
- Appoint a responsible adult to be in charge
- ALWAYS keep a source of water close by to extinguish the fireworks
- Use protective eyewear when lighting fireworks
- Purchase fireworks from a reliable source - carefully read and follow the instructions provided
- Keep spectators a safe distance away from the discharge site
- Keep pets indoors
- Children should be closely supervised when using sparklers to reduce the risk of injury - sparkler wire remains extremely hot even after they have burned out -soak wire in water when finished
- Never let children light fireworks
- Take note of the wind direction and strength. Be sure your fireworks' residues won't be projected onto a neighbour's property.

For the public's use and benefit, the fireworks by-law is available online at www.townofws.ca, in the by-law section of Fire & Emergency Services.

*Please use the fireworks as they were designed to be used
and enjoy them safely.*

**TIPS FOR RESIDENTS ON WINDY RECYCLING/
WASTE COLLECTION DAYS**

- Residents can re-arrange their Blue Box content so that the heavier items sit on top of the lighter items. This should help prevent light Blue Box materials (such as paper) from blowing out of the bin and littering the streets. Residents can also stack the blue boxes if there is more than one with heavier items placed in the blue box that is on the top
- Tightly secure the latch on the Green Bin.
- Residents can skip that week's collection and put their recycling out for next week's collection. There is no limit on the amount of Blue Box material put out for weekly collection
- If residents would like, they can also take their recycling to York Region's recycling depot at 225 Garfield Wright Blvd., East Gwillimbury. They are open Thursday to Monday from 8:30 a.m. to 4:30 p.m.. See page 3 of the Recycling & Waste Collection Calendar for more details.

The Town of Whitchurch-Stouffville will help in cleaning up the community where possible, but reminds residents to do their part in helping to keep our community litter-free.
