NOVADENT

NovaDent, naturally-based solution can be used overnight without any danger of damaging your dentures. On the first day, let your dentures soak for at least eight hours for maximum cleaning efficiency. If you use NovaDent on a daily basis, brushing is unnecessary. NovaDent protects your dentures, leaving them shiny and clean. Recommended by Markham Denturist, Fernando Crupi

A gift worth it's weight in gold, even in July.

Christmas may still be many months away, but each year, more families than ever find themselves in desperate need of a Christmas. For 11 years, the Stouffville Sun-Tribune Santa Fund, along with generous donations from people just like you, has helped over 200 families fulfill this need. Last year alone, we helped 50 families savour the joy of the Christmas season, 50 families with children who might not have had anything under the tree on Christmas morning. And we couldn't have done it without you. *Help us share the spirit once again this holiday season. Donations are welcomed all year long!*

The Stouffville community needs to come together to provide for one another. If you can help, please call Mike Banville at the Stouffville Sun-Tribune, at 905-943-6102.
