**Good People, Great Service – An Award-Winning Combination**

Bill Houston and the team at Houston Ford are proud to be named to Ford of Canada's 2010 President's Award Diamond Club, for Outstanding Achievement in Sales and Customer Service.

"It's the highest recognition you can achieve from Ford Motor Company of Canada," says Russell Eagen, General Sales Manager. "Houston Ford has been an integral part of this community for the past 25 years and many of our customers are the second and third generations of families who've been dealing with Ford from the very beginning."

The reasons for Houston Ford's success are simple – good people, great service and Canada's most successful automobile line. Houston Ford has a team of factory-trained technicians, state-of-the-art diagnostic equipment and an award-winning parts and service team.

But perhaps the main reason is the community involvement by everyone at the dealership, supporting and sponsoring a number of events and teams in Stouffville.

"The entire team is dedicated to ensuring that your experience with Houston Ford will be more of a long-term relationship than simply a transaction," says Russell.
