## Stouffville native shooting for record

Kari Sandiford is on a mission.

The former Stouffville resident who has made British Columbia her residence for the last eight years, Sandiford hopes to raise some much-needed funds for Cystic Fibrosis Canada to support research aimed at helping people with this dreaded disease, in the hope of achieving the ultimate goal of finding a cure.

To do this, Sandiford will be one of 40 women attempting to break a Guinness World Record for the world's longest ice hockey game.

The event will take place in Burnaby, B.C. from Aug. 26 to Sept. 5.

The game, she said, will run for approximately 243 hours.

"During those 10 days we will not be able to leave the rink," she said in describing what they hope to accomplish. "We will be sleeping in RVs and will be relying on countless volunteers for food, medical attention and anything else we may need in order to participate in this amazing event."

## First-place Mustangs keep on winning

Katrina Kovacic and Cassandra Goodall each scored two goals to ignite the Stouffville Mustangs under-13 girls to a 6-0 road win over Innisfil in a recent Central East Soccer League contest.

Amanda Grinnell and Cambria Brown each added single tallies. Kristen Caporusso recorded the shutout.

The win by the Mustangs came on the heels of a 2-0 road win over Whitby.

Vanessa Mangos and Grinnell accounted for the Mustangs' scoring. Caporusso earned the shutout.

Tied in first place with Pickering with a 7-2 win-loss mark, the Mustangs are scheduled to resume league play against Oshawa Kicks at Ballantrae Tuesday at 6:30 p.m.
