Variety show getting ready for Christmas

It may be August, but Stouffville's 52nd annual variety show is already thinking Christmas.

And spring.

The kick-off meeting for Music Mania will be held Sept. 7 at 7:30 p.m. in the Davis Room of Stouffville United Church.

Sponsored by the Couples + Club of Stouffville United, the show includes music, dance and skits.

One show is presented at Christmas and the main show the last weekend in April.

Practices for the December show begin the Wednesday before Thanksgiving.

day before Thanksgiving.

For the April show, a kick-off rally will be held at the church Sept. 17 at 7:30 p.m. Practices begin the first week in January.

"The rally is to see how many people are interested, share the theme of the show and it's a great time to see friends after the summer," said show spokesperson Heather Andrews. "If you are new to town and want a way to meet new people, this is the place for you."

Volunteers are needed on and off stage. For more information, call 905-640-7079.

2011 Sonata Hybrid

KEEP THE SKY BLUE AND YOUR WALLET GREEN.

The 2011 Sonata is the first Hybrid to feature lithium polymer batteries – the smallest, lightest and most advanced hybrid batteries in the world. It's just one part of our investment in eco-friendly technologies called Blue Drive. With an impressive 206 net horsepower, proprietary 6-speed automatic transmission, panoramic sunroof, and LCD trip computer, the Sonata Hybrid feels more like driving a conventional automobile. After all, just because you care about the environment, doesn't also mean you don't care about a great driving experience.
