

**Drowning prevention events  
test skills, help cause**

Test your in-water survival skills, endurance and swimming ability during a fundraising event for the Lifesaving Society. The obstacle challenge takes place Aug.

27 and 28 at the Lebovic Leisure Centre pool between 1 and 4 p.m.

The first station is the swim to survive challenge in which participants must roll into the water, tread water for one minute and swim 50 m.

The second station is the dolphin relay. Each participant swims across the pool

while pushing a beach ball with their nose. The swimmer cannot touch the ball with his or her hands.

In the obstacle swim, each participant swims one length of the pool, while manoeuvring through or under a hoop, ring buoys or flag marker.

Prizes will be given out.

In another fundraising event for the Lifesaving Society's drowning prevention campaign, the lifeguards are holding a bake sale Aug. 23 from 8:30 a.m. to 12:30 p.m. and 4:30 to 8:30 p.m. inside the leisure centre, 30 Burkholder St.
