A Message From The Coach

I would like to take this opportunity to congratulate these boys on the tremendous achievement! With only 1 returning player from last years championship team, the 2011 Stouffville Storm were able to capture the silver medal at this years Provincial tournament. The dedication and desire that these boys portrayed on the field were second to none and this is why we the Stouffville Storm Jr Mites had a successful season.

I would like to thank my coaching staff Steve Smith, Marc Luff, Rob Vocino for contributing and volunteering countless hours in developing these young men.

A special thanks to my Provincial committee Kelly Matthews, Arlene Tratnik, Nadine Thompson, Tia Vocino, Dawn Cairns, Mike Barville and manager Susan Luff, these great bunch of volunteer's made the Provincial tournament a success.

A huge thanks to all my Storm parents for your commitment throughout the year.

A loud thank you to our M/C Ken Wilson who made our tournament fun and enjoyable for all.

A big thank you to the official scorekeeper's of the tournament Dale Wannamaker, James Murchison, Nadine Thompson, and Chad Redshaw.

Thanks to our Mayor Wayne Emerson, (WSSA President) June Doner, and (WSSA Representative) Joe Palma for supporting the Stouffville Storm and taking part in the Provincial tournament.

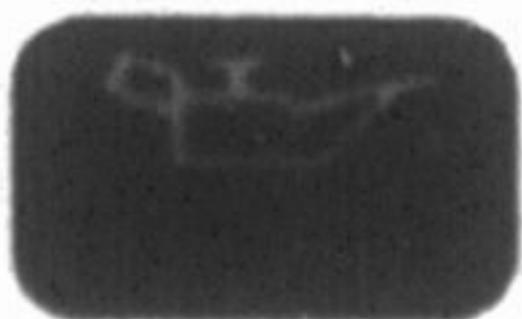

Thank you to the town of Stouffville Parks and Recreation Department for doing a great job with all the ball diamonds and Janet Ruhl for accommodating the 2011 Stouffville Storm Jr Mites schedule.

Finally i would like to conclude by stating that this season was never gauged by a medal or a final rank, but the fact is these young boys gave me everything they had for 5 months and they showed me that this game will always be about creating everlasting memories as a team and becoming friends for life, and that is something that nobody can take away from the 2011 Stouffville Storm Jr Mites.

Thank you all!
