## Mennos swept in semis

There will be no fastball in Stouffville Memorial Park tonight.

The Stouffville Mennos saw their season come to an end after the Lake Simcoe Lightning swept their best-of-three Oshawa City and District Fastball League semifinal series with a 5-0 win in Sharon Tuesday.

The Lightning scored three runs in the second inning, one in the third and one in the sixth.

### 19-16 SEASON

Despite generating just four hits off Lightning pitcher Andrew Putnam, the Mennos had several opportunities to put runs on the scoreboard by drawing four walks and reaching base on two Lake Simcoe errors.

But an inability to receive timely hitting proved costly to the Mennos.

Putnam struck out 15 batters.

Rich Burkholder accounted for two of the four Mennos' hits.

Mennos' starting pitcher Greg Dalgarno went four innings and gave up four runs to take the loss.

Jay Nesbitt came on in the fifth to throw the final two innings.

The Mennos finished the season with an overall record of 19-16.
