

### Keys left in stolen car: police

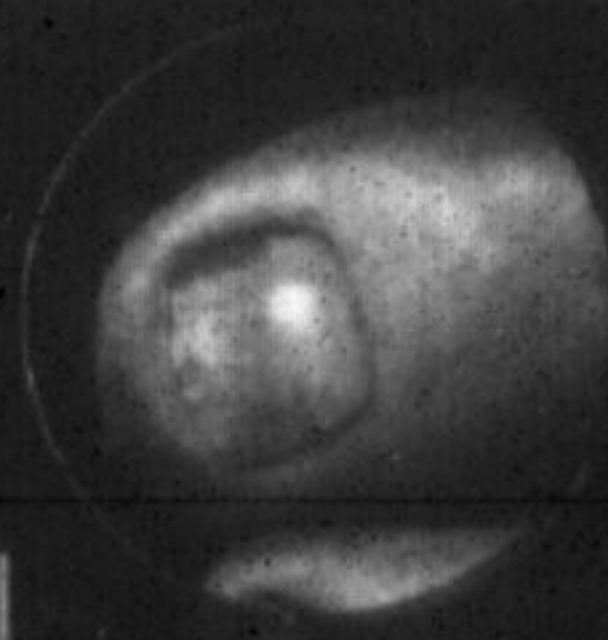

An unlocked vehicle with its keys inside was stolen from a Cam-Fella Boulevard driveway Tuesday between 1 and 3 a.m.

Along with the vehicle, which is a red 2009 Kia Spectra, the thief got its contents, which included a laptop, projector and

cash. Simultaneously, a vehicle in the same driveway, also unlocked, had a credit card stolen from inside of it.

A power broom, concrete saw, compactor and pressure washer were among the items stolen from a Bethesda Road business late last month.

## Bothered by your discolored toenails?

### We want to see them.

Does part of your big toenail look yellow or brownish in color? It could be **nail fungus**. Not only is toenail fungus unsightly and embarrassing, but it can spread - to your other toes, from foot to hand, or even to family members.

Right now, doctors at **Lynderm Research** are conducting a research study of an investigational medication for nail fungus that may help. This medication is clear and applied directly to the nail. If you join, you will receive the nail medication and all study-related care at no cost. You will also be compensated for your time.

Space is limited. Please call **905-471-8011** or email [susan@lynderma.com](mailto:susan@lynderma.com) to learn more.
