

NEW DIGS

STAFF PHOTO/NICK IWANYSHYN

Mayor Wayne Emmerson and members of town council gather during the grand opening of the new Town of Whitchurch-Stouffville Municipal Offices, at 111 Sandiford Dr., Saturday. It cost the town \$10 million to buy and renovate the former Cook Canada building, next to the Imperial Centre where the town rented space for many years. The project came in under budget. For a tour of the facilities, go to yorkregion.com and see our photo gallery from the event under "photos".
