

Autism group spreading news at Stouffville corn roast

Did you know one in 110 children are diagnosed with Autism Spectrum Disorder?

Autism Ontario's York Region chapter wants to get the word out. It's launching Autism Awareness Month with a corn roast

at Willowgrove in Whitchurch-Stouffville Sunday from 2 to 5 p.m.

The need for awareness and acceptance of children and adults with autism has never been greater than it is today, spokesperson Sue Walters said.

Families can enjoy wagon rides, visit farm animals, play in the hayloft and enjoy the fall food.

Admission is \$5 for adults and free for

children.

Willowgrove is at 11737 McCowan Rd., south of Stouffville Road.
