

# FOCUS on Business

## SANDY'S WINTER SPECIAL Don't Miss this Deal!

Well, it's mid November now and winter is just around the corner. Already we're finding cool evenings and frost on our windshields in the morning. It's time for some winter maintenance on our vehicles. Winter driving with it's cold engine temperature and rich fuel mixtures can foul spark plugs. Even spark plugs firing intermittently will decrease fuel economy and engine performance drastically. Rich mixtures also cause fuel injector tips to become dirty causing erratic fuel spray patterns and decreasing fuel economy and performance.

We all want a safe and comfortable commute to and from work each winter day. Sandy's Auto service is offering a winter special consisting of: lubrication, 5 liters quality oil and oil filter; load test battery and check charging system; inspect wiper blades and washers; 140 point safety inspection; inspect all tires and measure tread depth for safe stops and maneuverability in winters extreme conditions; inspect spark plugs for wear and contamination; test and inspect Oxygen sensors as rich fuel mixtures can foul these sensors and their performance slowly degrades over time causing a major decrease in economy and performance.

Although pricey, new sensors can improve economy and performance dramatically so they are all well worth the investment. Approximately every 100,000 kms, rotate tires front to rear and inspect brakes and front end components. Sandy says: "to top off this service we will access your onboard computer for any IDC's (Diagnostic Trouble Codes) and finally identify any areas that need attention and formulate the correct repair procedure. All the above for Only \$59.95." You can make your vehicle safe and dependable. Just call us and we will show you how.

All parts and services are completely guaranteed. We are also a Drive Clean test and repair centre. We test emissions form 8:30 a.m. to 5 p.m. every half hour by appointment. You will be in and out in approximately 20 minutes. Call today for your appointment. Our business hours are Monday to Friday 8 a.m. to 6 p.m. (Sorry Saturday and Sunday is family time). Sandy's Auto Service is a family business established in 1975 and has been servicing Markham and Unionville for the past 35 years. We will do our best to make your automotive repair experience friendly and successful.
