

P ~ MAPLE SUGAR ~ PORK CHOPS

These are a version of our smoked pork chops that are not smoked at all, but rather roasted with the Maple Sugar Glaze that we use to make our hams. If you like our hams, you'll love these because there is more of the glaze relative to the centre portion...all very technical I know, but when all my hockey buddies chow-down at a meeting, it's this that is discussed ad infinitum rather than the business at hand. They are available at the deli counter either a rack or in chops ready to go. When you get them, they are fully cooked already. Just warm them at a low temperature. A great side to serve them with is our Scalloped Potatoes. Reg. \$1.69/100g

H ~ FRESH ~ HALIBUT

We've got a nice size shipment of Halibut. We debone the fish and sell them in fillet chunks, something a little easier for you to work with, and there's no waste at all! I was looking through the James Beard Cookbook, but all the recipes are for halibut steaks, something that we don't do. What I would suggest is a simple seasoning and right onto the grill, being careful to handle them with a spatula rather than tongs. To be sure you don't overcook them, have a fork handy and part the flake of the flesh a bit. When it is the same colour all the way through, it's done. Wine? Chardonnay or Fumé Blanc, just so you know.

C ~ ADVENT ~ CALENDARS

Have arrived. They have 25 good sized pieces of amazing milk or dark chocolate. Your kids, big or small, won't be pleased if you bring home anything other than these in years to come. They are a huge hit at our house.

B ~ GIFT ~ BASKETS

If you are new to our store, it won't take you long to realize that we're in the basket business. Although I've never really counted them, there must be thousands to choose from. During the festive season we make them up with food goodies to fit any budget or taste (including wine, if you like). You can pick what you would like and we'll make it up, or it can be boxed, as you wish! We offer good value. See Gill or Robert if you have a special request.

C ~ AT THE ~ CAFÉ

Grethe has whipped up another amazing sandwich in Doreen's Café. It's called Chicken Guacamole Wrap and it's brimming with spicy chicken, grated carrot, red onion, cucumber and mixed greens.

~ CHICKEN ~ VEGETABLE SOUP

When I need inspiration to write about soup, I go to the ingredient panel on the back of the container. There it says....chicken stock, onions, leeks, carrots, red peppers, celery, mushrooms, Yukon Gold potatoes, peas, cauliflower, zucchini, chicken, garlic, oregano, basil, salt and pepper. This sounds to me like the whole enchilada (without the enchilada though!) Serves 3-4 Reg \$7.95
