

Stouffville marks Remembrance Day at new legion hall

Photography by Steve Somerville

Clockwise from top: Royal Canadian Legion Branch 459 president Judy Bond greets vet Harry Payne prior to the service in Stouffville Friday. It was the first service to be marked at the new legion hall. The crowds braved the cold to pay tribute and respect to the veterans. The legion's flag flies during the service. A piper leads the parade to the legion hall prior to the service. See yorkregion.com for more photographs from the service and from others from across York Region.
