AQUATECH™ AQUATECH™
WATER TREATMENT EQUIPMENT PUMP AND POWER

AQUATECH DEWATERING is a complete service provider of specialized Pumping Equipment for fluid handling & dewatering applications. While mostly known for our construction dewatering and bypass pumping services, we also offer; quarry and mine dewatering, well drilling, pump installation and maintenance, discharge filtration/treatment and dredging services. We are seeking qualified individuals to join our team. Below are the positions and basic description of qualifications. Interested candidates should visit our website for more details.

Junior Estimator/Project Coordinator

Utilize technical, communication and organizational skills to help promote the overall growth and profitability of AQUATECH's range of services and in particular construction and mine dewatering services; design and engineering, estimating, implementation and coordination.

Pump Mechanic/Service Technician

Service and maintain AQUATECH's diesel powered pumping equipment as well as diesel powered generators in our shop in Concord, Ontario.

Field Mechanic/Service Technician

Service and maintain AQUATECH's heavy equipment (boom truck, excavators, drill rigs, loaders etc.), hydraulic, electric and diesel powered pumping equipment as well as diesel powered generators at our Concord facility or at the customer's job site. Health and Safety is a major responsibility of this position.
