From MOLLER INSURANCE blog:

### Winter Driving 101

Winter wreaks havoc on Canadian commutes. Mounds of paperwork from insurance companies' desks like snow on roads. Even the most experienced drivers can fall victim to hazardous conditions and have their insurance premiums take a hit. To avoid a winter of discontent remember some basic points that many seem to have forgotten. Long commutes can be irritating enough, add snow or ice to the mix and high blood pressure is sure to follow. Unfortunately, one of the most important...

From YORK DANCE STUDIO blog:

### Variety Is The Key To Success

These days if you have aspirations of being a dancer, stiff competition says be prepared to learn a variety of dances in several disciplines. Much like someone who can act, dance and sing, a triple threat dancer studies as much as they can to be versatile dancer and performer in order to stand out from the competition. If a child, for example, wants their career to be as a performer, if they only focus on one discipline, it will limit the jobs they will be able to go on audition for.
