

## Have your say on senior centre

An open house on the proposed 55+ Wellness Centre takes place Monday from 1 to 3 p.m. and 6:30 to 8 p.m. in the town hall's council chambers.

The drop-in open house will provide information on the 55+ Wellness Community Centre survey. Staff will also be on hand to review potential models used to oversee and co-ordinate service delivery as well as discuss potential programming and activity space, according to the media release.

A replacement facility for the Main and Market streets Silver Jubilee was requested by the Whitchurch-Stouffville Silver Jubilee 55 Plus Club late in 2010 because they had outgrown the space.

There is 14,000 square feet available in the town hall, which is the former Cook Canada facility.

Earlier in the year, dmA Consulting was hired to examine functional space requirements for the Whitchurch-Stouffville Public Library. Part of that study included evaluating moving the library to the town hall's empty space and putting the 55+ Wellness Centre in that vacated space.

It is expected that by 2031, Whitchurch-Stouffville's 55-plus population will reach 8,700 people. It is currently 3,400.

If you are unable to attend the open house, but would like to provide comments to staff, forward letters to: Rob Raycroft, 111 Sandiford Dr. Stouffville, call 905-640-1910 x 2290 or e-mail [rob.raycroft@townofws.ca](mailto:rob.raycroft@townofws.ca)
