Opening Saturday, June 2

To recognize the 41st birthday of both the Town of Whitchurch-Stouffville and the W S Museum, this exhibit will look at the development of both the Village of Stouffville and the Township of Whitchurch from the times of First Nations occupations to 1971 - when the creation of York Region and re-alignment of local municipalities created our current Town of Whitchurch-Stouffville. How did the original communities get started? What intriguing stories are there? What were the key factors for the two to merge into one? Unearth your community's roots in our new Exhibition Gallery.
