# Stouffville man killed at Brampton business

A 43-year-old Stouffville man was killed after being pinned between a van and a wall in Brampton's east end yesterday. Emergency crews responded to the call at a vehicle auction services firm on Auction Lane, near Queen Street and Goreway Drive, and employed life-saving measures before the victim was pronounced dead at the scene.

Peel police have called in the Major Collisions Bureau to investigate. Peel police Const. Erin Cooper said there were several witnesses who will be questioned about the incident.

Investigators have not yet determined the cause of the accident, or whether the victim was an employee of the automotive auction lot.

No charges have been laid against the driver.
