**Lake Simcoe Region Conservation Authority**  
A Watershed for Life

The Lake Simcoe Region Conservation Authority (LSRCA) is seeking an IT Support Specialist  
**Full time, Newmarket, Ontario**  
Salary Range \$54,914-\$64,233 (35 hours per week)

Reporting to the Manager, GIS/IT the IT Support Specialist is responsible for administering the day to day operations of LSRCA's Information Technology Infrastructure. This includes IT support for 90 computer users including their hardware, software, telephone system and computer network.

You will be responsible to work with staff to resolve IT related issues and provide answers in a timely manner; additionally you will be part of a team maintaining the LSRCA Microsoft network including the email, internet, file, backup and application servers. This position will also require you to administer network security and the active directory and be responsible for researching IT infrastructure upgrades and best practices to keep the LSRCA current. You will be required to work independently and as part of a team.

You will have a minimum 2 year post-secondary diploma in Computer Science and Compita A+ Certification with 3+ years of related experience. Advanced knowledge of IT including servers, computers, printers and other network infrastructure is required. Excellent client service skills to address staff and IT issues in a professional and respectful manner are essential.

Please forward resumé and covering letter to LSRCA's Human Resources, referencing Competition #16-2012, by October 19, 2012 to [careers@LSRCA.on.ca](mailto:careers@LSRCA.on.ca)

For more information please visit [www.LSRCA.on.ca](http://www.LSRCA.on.ca)

The Lake Simcoe Region Conservation Authority is an equal opportunity employer. We thank all applicants for their interest in the Conservation Authority; however, only those candidates selected for an interview will be contacted.
