# Stouffville coach, players tackle Ontario football title

## SPORTS BRIEFS

Four Whitchurch-Stouffville youths along with their head coach played a prominent role in helping the Markham Raiders atoms capture the Central Ontario Minor Football League AA title with a 26-4 win over the North York Grizzlies in the final at Birchmount Stadium in Scarborough Saturday.

Head coach Jason Wilson directed the Raiders atoms to their first-ever COMFL crown and last one for the organization since 2009 when a tyke entry claimed the title.

A Grade 8 teacher at Oscar Peterson Public School, Wilson was in his first year of directing the fortunes of the Raiders atoms.

"It's an amazing accomplishment for a small program like ours," Wilson said.

"We only had 32 players in our spring house league and lost many of our best athletes to rep hockey that runs at the same time as the COMFL season. A lot of the 22 kids on our team were brand new to football."

Adding to the challenge facing the Raiders, Wilson noted his club was comprised largely of youngsters seven and eight years of age and were forced to go up against teams with some 30 to 40 players who were

primarily nine and 10 years of age. "We were always the smallest and lightest team on the field," he said.

Other members of the squad included starting quarterback and linebacker Evan Patton, wide receiver Jet Wilson, reserve receivers and defensive backs Emillio Cassano and Nick Cassano.

### Holt 130th at OFSAA cross country

Alycia Holt was the 130th runner to cross the finish line in the midget girls' 3K race at the Ontario Federation of School Athletic Associations cross country championships in Brampton Saturday.

Making her OFSAA debut as the lone Stouffville District Secondary School student to compete, the Grade 9 student finished the course in a time of 13 minutes and 51 seconds.

A total of 264 runners competed.
