

Stouffville news stories make top-five list for 2012

Two Whitchurch-Stouffville stories made the top-five most-read stories list of 2012 on yorkregion.com, the York Region Media Group's website

No. 2. Is Elton at home?

The British singer has staying power and it appears the same could be said when it comes to stories about him, too, even if they are speculative.

This story by Jim Mason was posted in 2010, yet it was read by more than 6,600 people last year.

No. 4. Passenger tweets minutes before crash

Several stories about the tragic cottage country crash that claimed the life of Stouffville's Sara Girard, 17, and injured two others were among our top-read stories of the year.
