BILL HOUSTON FORD

Ford is Number #1 for the second year overall, so it is no wonder Bill Houston Ford has won 'Best Domestic Dealership' in the 2011 Stouffville Sun-Tribune's annual Readers' Choice Awards.

The soft-spoken, but personable owner Bill Houston immediately noted that this award - voted on by the readers of the Sun-Tribune - is really for his wonderful staff.

"This is terrific ... it's a great honour. We are very pleased and we do the best we can - we treat people like the way we want to be treated ourselves and it seems to work for us," exclaimed Bill.

The award, he said reflects that the "crew here at the dealership are fantastic. We work together - from Sales, through Parts to Service - it's just a great group at Bill Houston Ford. This award is more for them than me," he added.

Bill noted that it's nice that the readers recognized that "we deal with people properly day to day." Bill Houston Ford has a staff of 22 and almost all are from the local vicinity. This dealership has been in place for 26 years with Bill Houston owning it since 1995. Many working there are very long-time employees!

Located conveniently at 5786 Main Street Stouffville, it's a complete dealership with Service, Parts and Sales - dealing in new and used cars and trucks, that are mostly Fords. "Ford is just a great company to be with," he said.

Bill Houston Ford, in the heart of Stouffville, welcomes you to drop in today to view this top domestic brand - the best-selling Ford.
