My First School

My First School is honoured to be named the 2012 Stouffville Tribune Readers Choice Award Recipient for Best Daycare in Stouffville. We would like to express our gratitude to all who have voted for and supported us over the years.

As we approach our 20th Anniversary in the community, we are proud to have been an important first step in the development and education of your children. We are also grateful for the many friendships we have established over the years. Being a Stouffville resident, I often see many of our former students now entering their adult life with a University Degree and an incredible future. We are extremely honoured to be part of our community.

Our curriculum is focused on providing your child with the opportunity to learn and grow in a clean, safe, caring, fun educational environment. We create opportunities for your child to develop and succeed physically, intellectually and socially.

Come in and see the Difference for your Child.

Thank you for voting Sleepy Hollow Country Club Readers Choice Award!

What an honor! On behalf of our club members and staff I can tell you it is nice to be recognized. Sleepy Hollow Country Club, the club "just around the corner" celebrates a rich history and one that is closely connected to this town and its residents. Many of you have enjoyed our facilities as our membership continues to grow, participated in charity events or perhaps...some of you who were even married here.

All of those have been part of our past, our present and our future. Over the years there has been constant investment, renovations and improvements of all kinds. What still sets us apart is a welcoming group of golf members who experience our motto... "if you want to have fun playing golf join Sleepy!" every day.

Membership options have never been more progressive and affordable. We think its time you took a look at Sleepy!
