us Best Montessori School**

Quality child care for children ages 8 months to 5 years.

Country Casa Montessori & Daycare is a private facility offering Montessori, ECE education and quality child care. Our center is different from most Montessori classrooms, we offer the setting of both a home daycare and a Montessori /ECE classroom that allows our children to move freely in their environment making it easy to discover and learn. Our nurturing approach of a home daycare and the education of both Montessori and ECE will ultimately benefit each child's individual intellectual growth.

We feed and nourish our Children ORGANICALLY

As part of the Country Casa "Country Farm-to-school" initiative, our children benefit from daily meals largely grown and prepared right from our very own back yard.
