## SNOWY STROLL

A pedestrian makes their way along Sandiford Drive yesterday during the biggest storm to hit the area in recent years. It led to school cancellations, the postponement of hockey games and other events, slow drives to and from work – and plenty of shovelling. You can play in the snow and ice during the 10th annual Whitchurch-Stouffville Winter Carnival at Musselman's Lake today from 1 to 4 p.m.
