## Class Environmental Assessment to Address Outfall Capacity Limitations at the Duffin Creek Water Pollution Control Plant

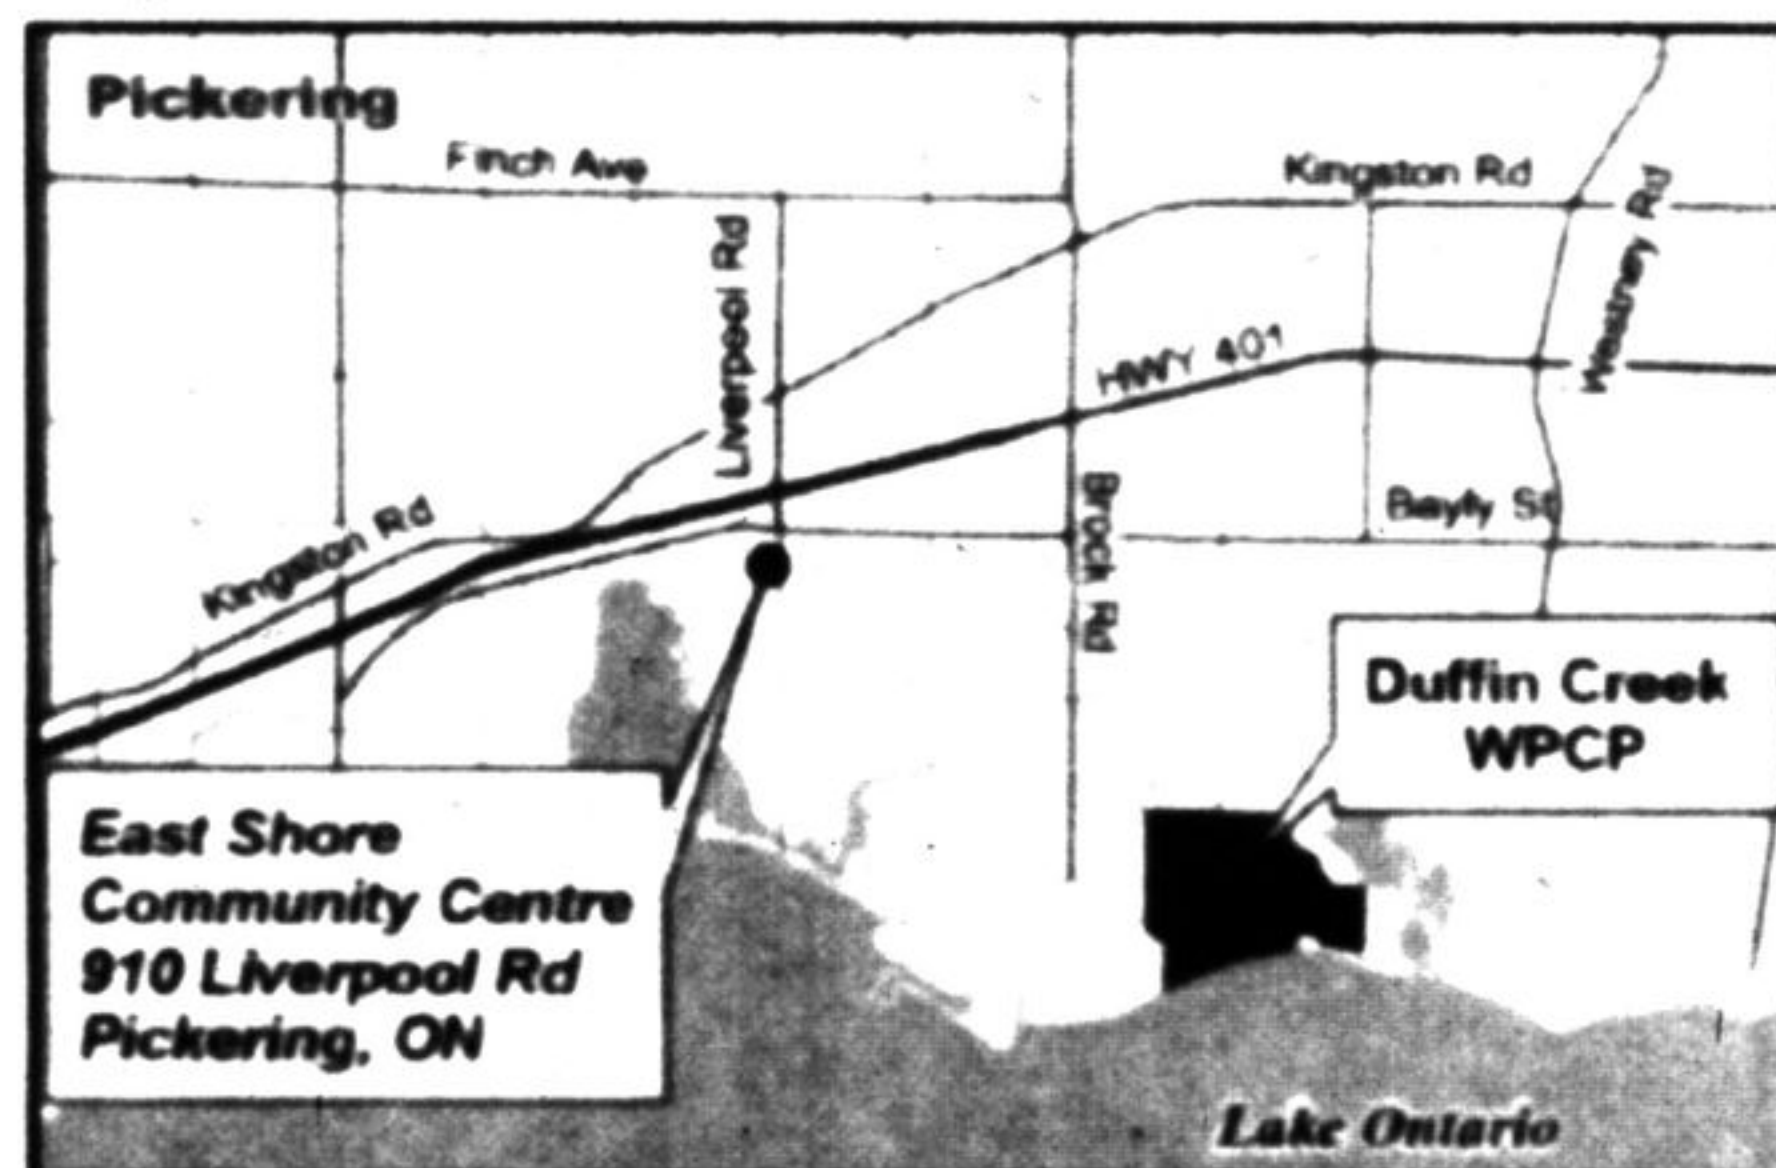

### NOTICE OF PUBLIC INFORMATION FORUM # 3

The Regional Municipalities of Durham and York have jointly initiated a Schedule C Municipal Class Environmental Assessment Study (Class EA) to identify the preferred solution for addressing the future capacity limitations of the existing outfall at the Duffin Creek Water Pollution Control Plant (WPCP). The first Public Information Forum (PIF) held in May 2011, provided information on the Class EA process and background information on the study. The second PIF held in June 2012 provided information on the initial screening of alternatives, and the evaluation criteria for assessing the impacts of each alternative. To receive input from interested persons on the evaluation of alternatives and the preliminary preferred solution for addressing outfall capacity limitations, Durham and York Regions will be holding Public Information Forum #3 on the following dates in the City of Pickering and the Town of Ajax:

**Date:** Tuesday, Feb. 26, 2013  
**Time:** Open House from 5 p.m. to 8 p.m.  
 Formal presentation at 6:30 p.m.  
**Location:** East Shore Community Centre, Meeting Room #2  
 910 Liverpool Road South, Pickering, ON  
 (Parking lot located at the rear of the building)

**Date:** Wednesday, Feb. 27, 2013  
**Time:** Open House from 5 p.m. to 8 p.m.  
 Formal presentation at 6:30 p.m.  
**Location:** Banquet Hall, McLean Community Centre  
 95 Magill Drive, Ajax, ON

If you require accommodations to fully participate in this meeting please contact Durham Region at 905-668-7711 ext. 3840 with your specific requirements.

Public and agency consultation is a key component of the Municipal Class EA process. Individuals who have an interest in the project are encouraged to attend either or both Public Information Forums to provide input into this important study. Comments are welcome at any time during the Class EA, at all Public Information Forums, via the project website, via email or by contacting either of the Regions' Project Managers. Details are provided below.

As part of the consultation program, the Regions are continually updating the Project Contact List. If you are interested in being added to the Project Contact List, and receiving further information during the Class EA process, please submit your contact information. Project documents will also be posted to the project website, and reference copies will be available at the Central Branch of the Pickering Public Library and the Main Branch of the Ajax Public Library.

Please note that comments will be maintained for reference throughout the project and will become part of the public record. Under the *Municipal Freedom of Information and Protection of Privacy Act* (MFIPPA) and the *Environmental Assessment Act*, any personal information such as name, address and telephone number included in a submission will become part of the public record unless the commenter specifically requests that such personal details not be included in the public record. Thank you for your participation in this study.
