# Fall Back in Love with Niagara

In the flurry of our every day, sometimes we lose track of the loves in our lives. Thankfully, there's always a place nearby that knows romance like the back of its hand. The Niagara region is all about mingling together passions of all kinds,

from its vibrant selection of wines that taste just as stunning as your partner looks, to the chancy nighttime adventures at the Fallsview Casino that reignite the twinkle in his eye (the one that gets you every time). Even the falls themselves

thump with a rushing heartbeat, reminding you of those moments you spent sweeping each other off your feet. Love doesn't subscribe to schedules, so it's nice to know that we can have our own slice of heaven. And one or two nights certainly beats the usual seven minutes.
