## TOWN OF WHITCHURCH-STOUFFVILLE

**OPPORTUNITY KNOCKS!**

The Town of Whitchurch-Stouffville is an enviable blend of urban and rural communities located in the GTA, with a current population of 42,000 and growing! One of Ontario's premier municipalities, we've experienced the third fastest growth in Canada and have been ranked as one of the top 10 Ontario Towns to invest by the Real Estate Investment Network. Come grow with us!

**Manager of Engineering Services**  
Reporting to the Director of Engineering and Capital Projects, you'll manage staff and external consultants involved in plans review, subdivision/development agreement preparation and administration, and field inspections. Your credentials include a P. Eng and extensive experience in development engineering in a municipal urban growth environment.  
Salary Range: \$87,345 - \$106,061 per annum (37.5 hours per week)

**Manager of Public Works Operations**  
Reporting to the Director of Public Works, you're an enthusiastic, inspiring manager with broad experience in municipal public works capital and maintenance programs. You'll oversee the operations division encompassing roads, water/wastewater and waste management.  
Salary Range: \$93,168 - \$113,133 per annum (40 hours per week)

**Development Coordinator**  
With solid experience in municipal construction inspection and design plus subdivision administration, you'll prepare and administer subdivision agreements and monitor subdivision and site plan development as well as site alterations.  
Salary Range: \$63,351 - \$76,926 per annum (35 hours per week)

We offer a progressive work environment and a comprehensive benefits package. For more details, please visit www.townofws.ca. Employment Opportunities section

## K-LINE GROUP

### Project Manager (2 Full-Time Positions)

The K-Line Group of Companies, a leading national High Voltage Electrical Contractor is looking for two full-time Project Managers to join the Projects Division in our Stouffville, Ontario location. Related qualifications and experience include:

- An experienced Project Manager, you bring 5+ years of industry experience to the position, and a proven track record of managing small to mid-size projects. PMP Certification and/or P.Eng Designation would be viewed favourably.
- A Project Manager with 1 to 2 years of project management experience, looking to advance and grow in the electrical utility industry. Previous experience leading projects is an asset.

As a Project Manager, you will be expected to effectively plan, execute and manage projects of varying complexity. This includes planning and managing project risk, resources, quality and project scope, from kick-off through to completion. Candidates will have a sound understanding of project management theory and principles as well as budget and cost management expertise. Candidates must be able to perform in a fast paced environment and possess strong communication, negotiation and collaboration skills.

**Interested candidates are invited to fax their resume on or before March 11, 2013 to (905) 640-7450 or email to careers@k-line.ca to be considered.**
