

Tanaka scores CIS tourney team berth

Cory Tanaka's performance in the Canadian Interuniversity Sport men's ice hockey championships did not go unnoticed.

The 24-year-old Stouffville resident and fourth year forward with the Saint Mary's University Huskies was chosen to the CIS all tournament team.

Tanaka scored a pair of goals, including the game-winning marker, and earned two assists in Saint Mary's 5-1 win over the Waterloo Warriors in Saturday's semifinal in Saskatoon.

Unfortunately for the Huskies, they were blanked by the University of New Brunswick Varsity Reds 2-0 in Sunday's final.

During the regular season, Tanaka had 11 goals and 14 assists in 28 games.

The commerce major played in the Ontario Hockey League with the Plymouth Whalers and Belleville Bulls.

Porter earns postseason honours

Chris Porter had a rewarding season on the ice as a first-year member of the American International College Yellow Jackets hockey team.

The 21-year-old Stouffville native and former Stouffville Spirit forward was named to the 2013 Atlantic Hockey Association All-Rookie Team, the AHA recently announced.

Porter finished in a four-way tie for third

among rookie scorers with four goals and 11 assists in 27 conference games.

He appeared in 34 games this season and had seven goals and 13 assists, good for fourth on the team in scoring. In the classroom, Porter had a 4.0 grade point average.

Two of his former Spirit teammates had big weekends in the NCAA playoffs

Brennan Serville collected one assist in the University of Michigan Wolverines' 4-3 opening-game win over Western Michigan University Broncos in their best-of-three Central Collegiate Hockey Association quarter-final series in Kalamazoo, Mich. Friday.

The 19-year-old sophomore was a draft pick of the NHL's Winnipeg Jets in 2011.

The Wolverines swept Western Michigan 5-1 Saturday and will face the University of Miami Redhawks in their CCHA Tournament semifinal round at Joe Louis Arena in Detroit at 4:35 p.m. Saturday.

Matt Neal collected three assists to help the Rensselaer Polytechnic Institute Engineers stave off elimination against Brown with a 6-2 win in their ECAC Hockey best-of-three quarter-final series in Troy, N.Y. Saturday.

Brown, however, came back to win the deciding game 3-2 in Troy Sunday.

The 21-year-old former Spirit captain was RPI's second-leading scorer during the regular season with eight goals and 22 assists.
