

# Minor Hockey programs to see changes next year

The Whitchurch-Stouffville Minor Hockey Association's rostered select program will undergo some changes before the puck is dropped to start the 2013-14 campaign.

The association recently announced it is planning to ice teams in several divisions including tyke C, novice, atom, peewee, bantam and midget.

In doing so, the association is asking any individuals interested in being considered for a rostered select head coaching position to submit an application by May 17.

Application forms are available at the

association's office at the Stouffville Arena.

Coaches are to be appointed in late May or early June.

Auditions for rostered select teams will be held during the last week of August and first week of September.

Actual dates can be found on the association's website ([www.wshma.com](http://www.wshma.com)) in August.

Announcing the advance dates for coach selection and team tryouts, enables the association to schedule games and practices in September and provide teams with greater access to tournaments in the upcoming season.

At the same time, it will facilitate the balancing of house league teams.

The association's board of directors is confident these changes will further enhance this successful program.

For more information, contact the association's office at 905-642-2835 or e-mail [info@wshma.com](mailto:info@wshma.com)

In particular, the non-profit minor hockey organization is seeking volunteers to ensure its 950-plus members can have the best possible experience on and off the ice.

Volunteers can serve on the bench or behind the scenes.

As is the case for all successful organizations, the association said it requires a constant flow of new personnel to bring energy and new ideas.

Anyone interested in offering assistance can e-mail the association at [info@wshma.com](mailto:info@wshma.com)

### OPP offers female recruiting camp

Have you ever considered becoming a police officer? The Ontario Provincial Police are organizing OPP Bound 2013 — a three-day recruitment camp especially for women — at the Provincial Police Academy in Orillia July 6 to 9.

The camp is a good opportunity for qualified women to explore different career options with the OPP.

Some 50 participants will learn about the history and traditions of the OPP and hear from key female officers during their mentoring sessions.

Participants will also have the opportunity to experience the life of an OPP recruit at the academy, by taking part in exercises, fitness drills, police vehicle operations and other practical exercises.

The application deadline is April 12.

For details, visit [opp.ca](http://opp.ca) or call 1-877-677-4473.
