# Thank You!

## for joining us at this year's show!

Our thanks to the exhibitors and attendees who took part in this year's Markham Spring Home Show, making it another great success. We could not have done it without you. Plans are already well under way for the Markham Fall Home Show, October 18, 19 and 20, 2013. We're continually working on ways to improve the Home Show experience, and look forward to seeing you there.
