TOWN OF WHITCHURCH-STOUFFVILLE APPROVES 2013 BUDGET

Whitchurch-Stouffville Town Council approved a 2.9 per cent property tax increase for the 2013 fiscal year. This translates to a \$75 increase on a single family dwelling home with a final assessed value of \$575,000. When combined with the Region and provincial (education) tax, this translates to only 1.56 per cent tax increase for Whitchurch-Stouffville homeowners.

Some items of significance in the 2013 tax levy include:

- Enhancements to Memorial Park with the addition of a skate board park
- Improvements to track and tennis courts
- Municipal office renovations to accommodate York Regional Police sub-station
- Approval of concept development of Whitchurch-Stouffville Public Library and Leisure Centre expansion
- Storm water management pond
- Ninth line jog elimination and improvements in partnership with York Region
- New assumptions of roads, water/sewer, sidewalks, trail bridges and parks
- Labour agreement obligations

NOTICES CONT'D

- Additional contribution to Capital Reserves to reduce future borrowing
- Increased municipal service demand due to growing population

Whitchurch-Stouffville Town Council has also approved in principle a \$157.1 million 10-year Capital Forecast budget which supports funding for the expansion of the Whitchurch-Stouffville Leisure Centre including the Whitchurch-Stouffville Public Library.

The 2013 Capital Budget funds a joint design concept for the future expansion of the Whitchurch-Stouffville Public Library and Leisure Centre. This is a follow up to the report Council received in 2012 that confirmed the expansion of the future Library. Once the design concept work is completed, attention will focus on detailed design in 2015 and construction in 2016 and 2017.

For more information on the 2013 budget, please visit our website.
