# Come to Cottage Country

Only a few hours' drive north lies a community of cozy homes dusting the shores of beloved Muskoka—a friendly oasis full of fun and relaxation. **Fun with friends.** Adventure seekers will go wild at Algonquin Provincial Park, where recreational activities include biking, boating, fishing and white water canoeing. Ruminant over the day's best moments on the picnic grounds with homemade sandwiches. **A getaway for two.** Redefine alone time with a gentle

kayak or canoe trip around the lake, where nothing disturbs the landscape's still tranquility. Afternoons can be spent swimming in the lake or hiking through the surrounding forest after a trip to craft shops on Muskoka's main streets. **Family-friendly vacation.** Try a comfortable sightseeing cruise around the lake with the whole family. Reunite on the beach by a burning fire pit where everyone can join in song - even if dad is a little tone deaf.

## Top Picnic Picks

These picnic-perfect sandwiches add flavour to any cottage experience.

**1 BLT+:** Perfect for meat lovers, this sandwich packs pork loin, bacon, lettuce and tomato.

**2 Caprese sandwich:** This sandwich calls for thin slices of fresh tomato and Bocconcini with a few basil leaves, drizzled with olive oil.

**3 Pear and Brie:** Pair thin slices of pear and Brie inside a warm French baguette for a truly sumptuous sandwich.
