

## WAVING THE LEAF FLAG

Emma Arseneau, 10, of Stouffville was the Scotia Skater, waving the Leafs' flag before the Toronto-Boston NHL playoff game at the Air Canada Centre Wednesday, and standing next to her favourite Leaf, Mikhail Grabovski. Emma was selected after attending the Scotiabank Girls Hockeyfest at the ACC last month. She plays for the Markham Stouffville Stars atom A team. She's a Grade 4 student at Wendat Village Public School.

## Say thanks to your doctor

Since birth, doctors have played an important role in your life. Maybe one has even saved your life.

Now, you can say thanks and maybe win dinner and a movie.

In celebration of this month's annual Doctors' Day, the Ontario Medical Association has launched an online campaign, soliciting thank-you notes from patients, which it will forward to your doctor.

Ontario's doctors treat more than 400,000 patients each day and the Thanks Doc! campaign is a way to honour them for their commitment, passion and dedication in keeping you healthy, the association says.

We'd also like to hear about how a doctor has made a positive

influence in your life.

Send an e-mail with your name and where you live, your doctor's name and where he or she practises, along with a message of 200 words or less explaining how your MD has had a positive effect on your life. We'll publish some of the best messages in our newspapers and online at [yorkregion.com](http://yorkregion.com)

E-mails should be titled "Thanks Doc" and sent to [msubryan@yrmg.com](mailto:msubryan@yrmg.com) by 5 p.m. May 16. One submission per person.

One winner, selected randomly from all entries, will receive a restaurant gift card and movie passes. For full contest details, e-mail [msubryan@yrmg.com](mailto:msubryan@yrmg.com)

For more information about the campaign, visit [thanksdoc.oma.org](http://thanksdoc.oma.org)
