Lake Simcoe Region Conservation Authority
A Watershed for Life

The Lake Simcoe Region Conservation Authority (LSRCA) is seeking a **Land Management Technician** Full Time, Newmarket, Ontario
Salary Range \$51,986- \$60,829 (35 hours per week)
Start date - July 2013

Reporting to the Coordinator, Conservation Land Management and Planning, the Land Management Technician will assist the Conservation Lands team with the implementation and updating of conservation management plans, monitoring of conservation lands and easements, implementation of the Trails Stewards Program, land and habitat management, enhancement and restoration initiatives and identifying and prioritizing land securement opportunities. Finally, you will identify, coordinate and lead restoration/enhancement activities on LSRCA properties including invasive species removal, planting of native vegetation, erosion control, trail building and maintenance

You will possess a post-secondary degree/diploma in Resource Management, Ecology, Ecological Restoration or related discipline and have a minimum of 1-3 years of experience in land conservation, habitat management, restoration or related resource management initiatives. You will have certification and training in wetland ecology, wetland evaluation and/or ecological land classification methodologies. Additionally, strong organizational and report writing skills, with a focus on soliciting input from multiple land-based recreation stakeholders are required. You must be proficient in the use of GIS software and MS Office Suite products and must have a valid G class driver's license

The Lake Simcoe Region Conservation Authority is an equal opportunity employer. We thank all applicants for their interest in the Conservation Authority, however only those candidates selected for an interview will be contacted

Please forward résumé and covering letter to LSRCA's Human Resources, referencing competition #11-2013, by June 7, 2013 to careers@LSRCA.on.ca
