OUR *Main Street* MATTERS

SO DOES

THE PAINT *that* PRESERVES

YOUR HOME

It's a place where your banker recognizes you by name, shopkeepers are willing to open early for you, and where you catch up with friends at your favorite coffee shop.

Since 1883, our network of local retailers has been an integral part of the communities we serve. Main Street is a part of all our histories, which is why we should all take care of them, preserve them, and work to keep their businesses thriving.

That's why Benjamin Moore is committed to repainting 20 main streets across the U.S. and Canada- a program we call "Main Street Matters." We'll be completing all of the projects over the next year with the help of local Benjamin Moore retailers and painting contractors. Let's vote for Downtown Stouffville!

Visit and vote daily until June 30th at paintwhatmatters.ca
