

## Main St. up for makeover

Main Street in Stouffville has been short-listed for repainting and revitalizing.

Stouffville is among a list of downtown Main Streets from across North America vying for the makeover courtesy of the Benjamin Moore-sponsored contest Main Street Matters.

The 20 winners will have all paint and

supplies provided to revitalize and repaint downtown facades, porches, railings, shutters and other exterior building trims.

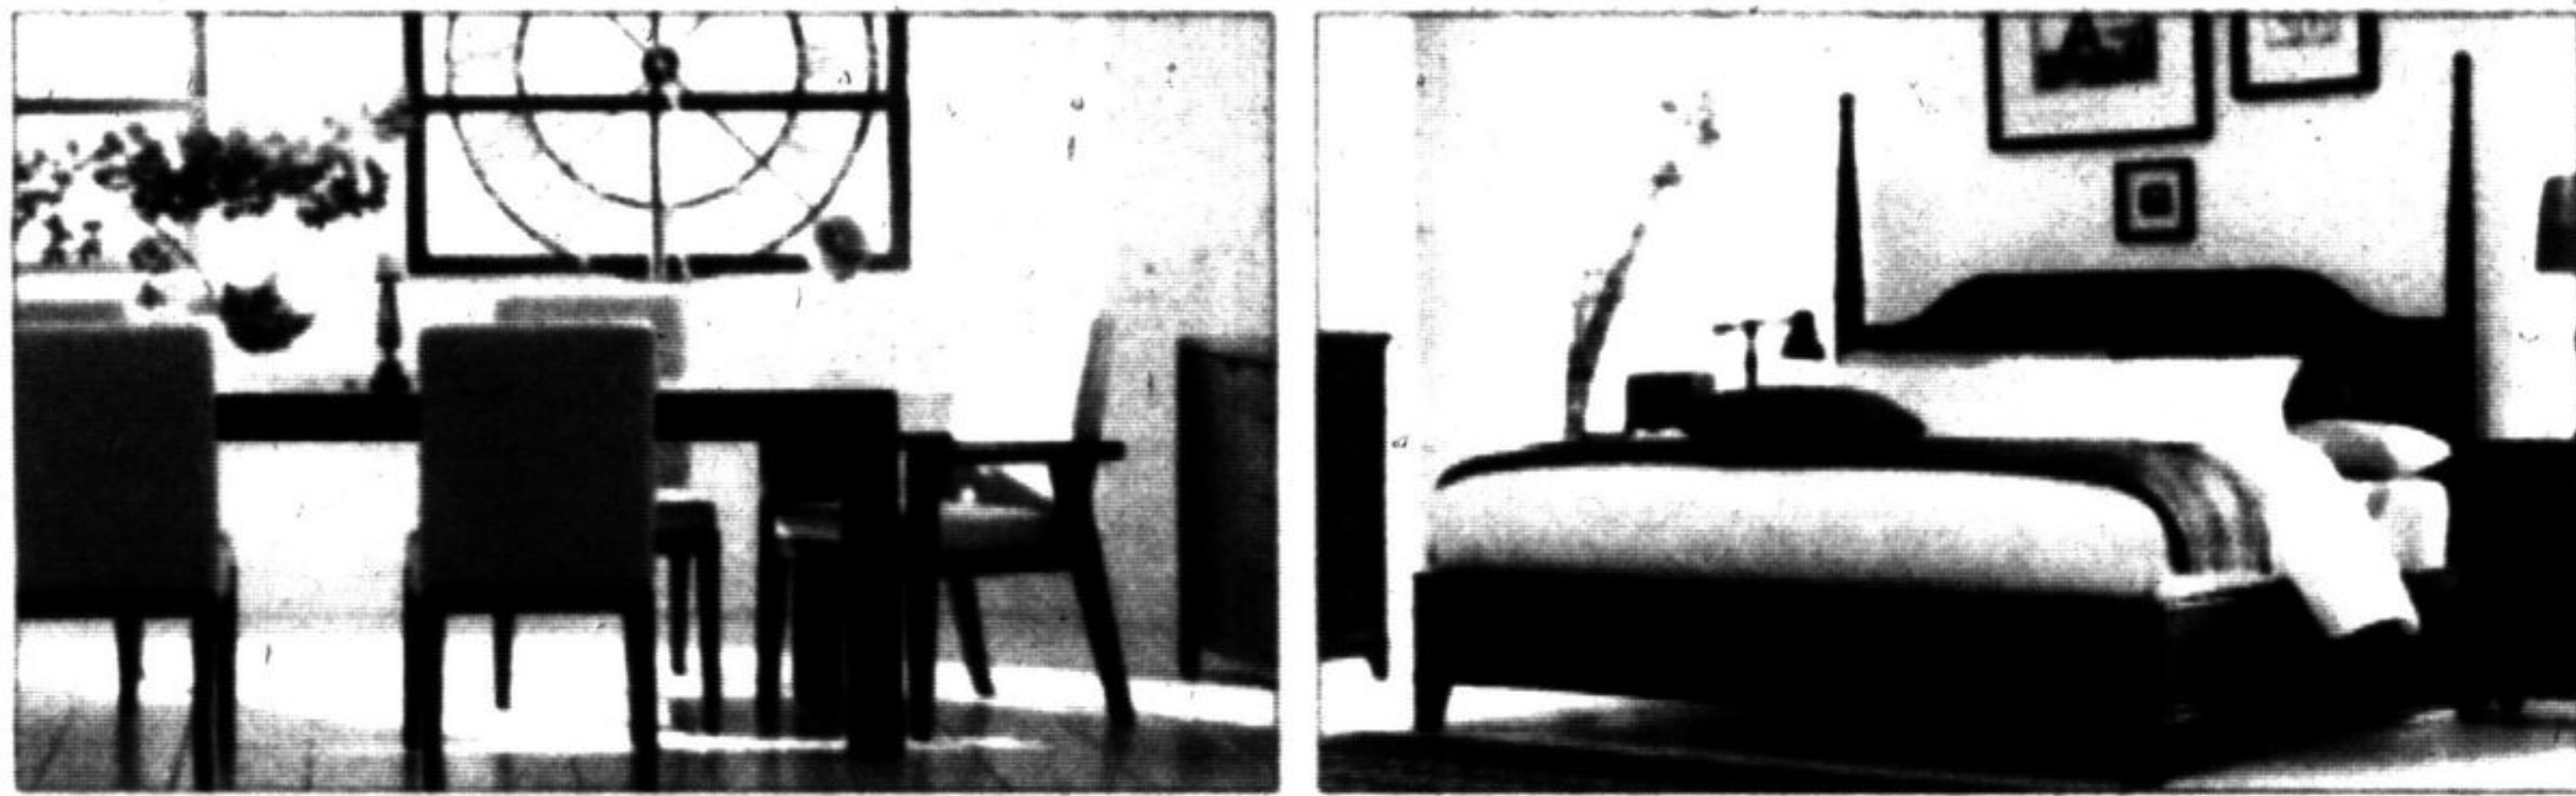

Architectural style, regional influences and historic references will all be taken into consideration.

You have until June 30 to vote at [www.paintwhatmatters.ca](http://www.paintwhatmatters.ca)

The winners will be announced in early July.
