Colombia Auténtica

Usually, when we think of visits southward, the cast of usual suspects includes the resort-laden beaches of Cuba, Mexico or the Dominican Republic. For those of us whose inner adventurer is calling, Colombia is the place. The members of Team Jaunt are a well-travelled bunch and our Account Coordinator Vanessa and Travel Specialist Adriana had only stellar things to say, and made it very clear that they would certainly, in the nearest or nearer future, be returning. Vanessa was enamoured by **Armenia**, the rich coffee growing region that is also a national park. She enjoyed a cable car

ride and its spectacular panoramic views of the coffee plantations, and a performance of traditional Colombian dance. For lunch, both Vanessa and Adriana suggest buying a **Colombiana pop** and a **freshly fried up empanada** from a street vendor. Colombians love their pop and make many varieties you might have a hard time finding in North America. **Panaca Animal Park** is Vanessa's absolute favourite place to visit. It features an expansive habitat filled with a variety of animals, each with their own section of the park. Vanessa highly recommends seeing the Colombian horse show.
