Technical/Skilled Trades

Junior Designer-Drafter
Job Description

Exco is experiencing strong growth and we are looking to add committed people to our team. We are seeking a junior designer-drafter, interested in joining a leading organization in a fast paced yet informal environment.

We are interested in energetic candidates who wish to make a career in the design engineering field. Serious inquiries only.

Desired Skills & Experience

- Experience in Auto CAD is required (experience with Unigraphics is an asset).
- Experience and/or knowledge of the manufacturing processes is an asset.
- Attention to detail and high level of personal organization is required.
- Strong interpersonal skills are an asset.

Company Description

Located in Markham ON, Exco is a world-leader in the design and manufacture of extrusion dies to a global customer base. Our facility boasts state-of-the-art equipment, technology and people. Exco encourages ongoing education/professional achievement among our team members.

Please send resumes to Office@etadies.com
