BED RIDDEN

Whitchurch-Stouffville Mayor Wayne Emmerson goes for a ride in a hospital bed down Main Street Unionville Sunday. It was all in support of The Markham Stouffville Hospital Foundation's Buy a Bed program, which is part of the Ninth Line facility's \$50 million expansion campaign. Twelve teams of five, including representatives of local businesses and the hospital's community partners, participated in the second annual bed race.

Toyota Earth Day SCHOLARSHIP PROGRAM 2013

Every year Earth Day Canada, with financial support from the Toyota Canada Foundation, recognizes the environmental leadership of graduating high school and Cégep students in Canada.

2013 Regional Recipient

ShengDi (Sharon) Chen
(Markham, ON)

Sharon is an executive member on Students of Toronto for Environmental Progress and her school's Environmental Action Team. Along with her team, she organized the North Scarborough Green Festival to educate the community about local foods, energy conservation, e-waste and how to be more environmentally friendly.

2013 Regional Recipient

Nicole Doray
(Thornhill, ON)

Nicole is a garden coordinator for the organization Seeds For Change and manages an organic community garden that supports local families in need while also reducing the community's carbon footprint. Nicole is also the founder and president of her high school Environment Team and implemented a composting program and an organic garden at her school.
