2013 FINAL PROPERTY TAX BILLS

First Installment Due - Friday, July 19
Second Installment Due - Friday, September 20

RESIDENTIAL FINAL TAX bills have now been mailed. Ratepayers who have not received their bills should contact our Customer Service Centre. Failure to receive a tax bill does not eliminate the responsibility for payment of taxes or the penalty charges for late payment.

TAX PAYMENTS may be made at most Financial Institutions through tellers, banking machines, telephone and Internet banking, by mail or in person at the Municipal Offices. An after-hours drop box is available at the main entrance doors.

SUPPLEMENTARY TAXES ON NEWLY-CONSTRUCTED HOMES Owners have been or will be receiving tax bills for the value of the "land" only excluding building, until the house is assessed by the Municipal Property Assessment Corporation (MPAC). Once assessed, supplementary tax bills will be issued for the house, retroactive to the date of possession. To estimate the annual taxes, simply multiply the purchase price of the home x1 per cent. This process can take two to three years and the tax bills will be due within a short time period. Pre-payments or a pre-authorized payment plan can be made to assist homeowners in planning for these future supplementary tax bills. For more information, please contact our Customer Service Centre.
