Popcorn
will be
available
on-site!

West Nile Virus

Fight the Bite!

West Nile virus can be passed to humans through the bite of an infected mosquito.

Protect yourself and your family:

- Clean up areas of standing water around the house where mosquitoes like to breed
- Cover up when you go outside, especially if you go out between dusk and dawn when mosquitoes are most active
- Use insect repellent when outdoors

For more information on West Nile virus visit www.york.ca/westnile or call
York Region Health Connection 1-800-361-5653, TTY (for the hearing impaired) 1-866-252-9933
