Stouffville Spirit Home Opener
against the Milton Icehawks
September 12th

Spirit deals D-man to Pickering

When Sean Power takes to the ice for the Ontario Junior Hockey League regular season, he won't have that far to travel.

The 18-year-old Pickering native, who played the last two seasons on defence with the Stouffville Spirit, was recently dealt to the Pickering Panthers for cash.

In making the trade, Spirit co-owner and general manager Kenny Burrows said he was a bit hesitant.

But citing his club is currently in a situation where they have a surplus of left-handed shooting rearguards combined with a number of young prospects on their roster who require plenty of ice time, he felt it was best to make the trade.

Burrows was also quick to note Power will be going to a good situation in which he could be in a top three role on the Panthers, who like the Spirit, missed the postseason last year.

"We really didn't want to do (the trade)," Burrows said. "But with a lot of left-handed shooting defencemen that we have and since we have a lot of young players who need the additional ice time, we made the trade."

Playing in 43 games with the Spirit last season, Power had 10 assists.

Joining the Spirit when they captured the OJHL championship, Power had five goals in 31 regular season games.

The Spirit is scheduled to open its main training camp Aug. 12 at 5 p.m.

The team has a few openings in its golf tournament, Aug. 15, at Cherry Downs in Pickering. Go to stouffvillespirit.pointstreak-sites.com for more information.

SPORTS BRIEFS

Rough race for Hathaway

Jason Hathaway was looking forward to returning to a track where he experienced success during his earlier days on the NASCAR circuit at St. Eustache, Que.

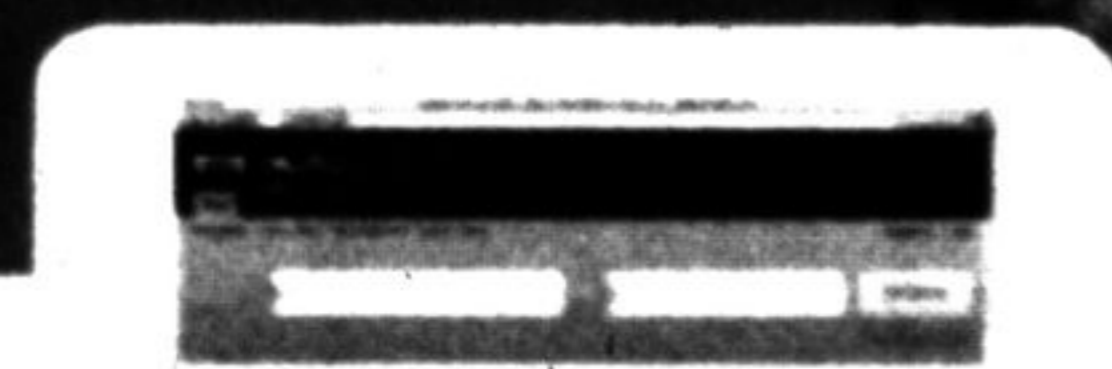

But when the Stouffville-based EHR Team Red driver drove the Snap-on Tools/Rockstar Energy Drink Dodge on the four-tenth mile Autodrome oval for the NASCAR Canadian Tire National 250 presented by Public Mobile, it was one of disappointment after finishing 14th in Sunday's feature race.

"We had another car that should have won tonight, that is for sure," said Hathaway. "The car was great and things were going the right way strategy wise. It's hard to take, but parts failures are part of the racing game. It's one of those things that happen and you just have to repair them and get back at it. Our crew did just that and kept us in the points battle. We come to win every weekend and the way we have been running it's only a matter of time."

Scott Steckly won his third consecutive race and holds down top spot in the overall series standings with 272 points.

The next scheduled race for Hathaway is at Trois-Rivieres, Que. Aug. 11.
