EXPERIENCE THE OUTDOORS AT THE COUNTRY DAY SCHOOL

Imagine running through rolling hills and wetlands, locating fossils, butterflies and hummingbirds. Reading poetry under an oak tree. Launching a rocket into the big blue sky. Now imagine teachers aren't ringing the bell to get you to come back in, they are out there with you, doing all the same things. It's a hands-on way for our students to learn about the environment, in the environment. Is the sky the limit? Not around here it isn't. It simply gives our students a massive playing field to seek out their own magical answers to the question.
