# LEARNING FOR LIFE. CREATING THE FUTURE.

## A Middle School Program for 21st Century Students

A special invitation for students in Grades 6, 7 and 8 to Spend a Half Day at Pickering College on Friday, October 25 from 8:15 a.m. to 12:30 p.m.

At Pickering College, we understand the unique learning and developmental needs of Middle School students. Our 21st century integrative and exploratory approach to education fosters the intellectual and personal growth of your child, setting the stage for a lifetime of success. Our teachers have the experience and passion to identify each student's learning style, needs, and abilities, and create programs that challenge and stimulate young learners. Students will mature and grow as active citizen through our leadership, community and outdoor education programs, and develop lifelong friendships with students from across the globe.
