# Thank You!

**to our guests & exhibitors for joining us at this year's show!**

Our thanks to the exhibitors and attendees who took part in this year's Markham Fall Home Show, making it another great success. We could not have done it without you. Plans are already well under way for the Markham Spring Home Show, February 28, March 1 and 2, 2014. We're continually working on ways to improve your Home Show experience, and look forward to seeing you there.

## Special thanks to our sponsors...

**Stouffville**

**...and our guests!**

*See you in the Spring!*
