

Spartan senior boys advance to playoffs

The Stouffville District Secondary School Spartans senior boys concluded York Region Athletic Association tier one volleyball regular season play by defeating Milliken Mills Secondary School 2-0 (25-19, 25-23) and Unionville High School 2-1 (25-20, 19-25, 15-11) at Stouffville District Secondary School Thursday.

With the victories, the Spartans finished second in the East Division with a 5-3 matches won-lost mark.

The Spartans will now advance to the Round 1 Playoffs to be played Wednesday at Sacred Heart Catholic High School in Newmarket.

The Spartans are slated to play the third-place finisher in the Central-West Division, which had yet to be determined as of press time.

With a win in that match, the Spartans would advance to the YRAA Playoff Tournament to be played at St. Jean de Brebeuf Catholic High School Nov. 12.

In varsity boys' ice hockey action, the Spartans suffered a 5-1 road loss to Westmount Collegiate in their first preseason tilt of the season Wednesday.

Zach Roberts scored the lone goal for the Spartans, who trailed 2-0 through two periods.

The Spartans missed a golden opportunity to cut their deficit in the period when Brayden McNeil was awarded a penalty shot, but failed to capitalize.

Saying he utilized the game to select his final roster, Spartans head coach Jamie Hewitt acknowledged his club still has plenty of work to do to prepare for the start of the York Region Athletic Association regular season.

The Spartans have one more pre-season game on the road at Uxbridge Secondary School Wednesday.

Weekend edition ceasing publication

The Stouffville Sun-Tribune will cease publication of its Saturday edition after Nov. 9.

Thursday's editions will continue to be the best source of local news, features and shopping information in York Region.

The move follows on the heels of expansion of content on the award-winning yorkregion.com

The Sun-Tribune is increasing daily community news stories, features, opinion and event listings specifically tailored to local readers and shoppers, along with additional opportunities for online engagement.

As well, yorkregion.com now offers a broader range of coverage, including international, national, major sports and entertainment news.

"As a result of these changes, we expect to see even bigger Thursday editions that will continue to bring all the important local news and information to our communities," general manager John Willemans said.

"The change in how we align our resources will also enable us to put even more focus on yorkregion.com — York Region's best online resource for all local news and community information," he added.
