

The 2nd Annual

Sun-Tribune

Samko & Miko
Toy Warehouse

The Stouffville Sun-Tribune is delighted to bring back our Beary Merry Christmas Campaign. This year, our staff will deliver teddy bears to children spending the holidays in our local hospitals. We've partnered on the campaign with Samko & Miko, official sponsor of this year's teddy bears. As you can see below, many of our community partners have generously purchased a bear for a little trooper this season! We thank all of our partners for helping us put smiles on so many faces!
