For trees or limbs that have fallen on private property, the Town will be making arrangements for a special pick up of bundled limbs during the week of January 20th, 2014. Residents are asked to place limbs - maximum diameter of 3 inches (7.5 cm) in tied bundles using twine (not rope) that are not longer than 4 feet (1.2 m) in length and no more than 2 feet (0.6 m) in overall diameter. The bundled limbs should be placed at the end of the driveway (curbside) by 7 a.m. on your regular scheduled collection day.

If trees or limbs have fallen within road allowances or park sites, please contact the Town and we will make arrangements for crews to clean up the debris.

### HELP US KEEP THE ROADS CLEAR

Parking on both sides of the streets restricts access for emergency vehicles and snow plows. Help us keep the roads clear by **NOT** parking directly opposite a car that is already parked on the road. It is very difficult and sometimes not possible to get our emergency vehicles and snow plows through cars parked this way on our residential streets.

How can you help us? When parking, ask yourself if your vehicle will block the passage of an emergency vehicle or snow plow. Wherever possible, please park in your garage or fully on your driveway. When it snows and if possible, please try to remove your vehicle off the road. For more information, visit [www.townofws.ca](http://www.townofws.ca).

Avoid parking directly opposite a car already parked on the road.

Do not park your vehicle this way. You will get a ticket.
